You authorize regularly scheduled charges to your Payment Account entered in our secure merchant portal. A Payment Account may be a U.S. Bank checking or savings account, a U.S. Bank debit card, or a major credit card (pre-paid cards are not accepted). You will be charged the amount indicated in My Account each billing period. A receipt for each payment will be provided to you and the charge will appear on your statement as a charge from GO Subscription or its affiliates. You agree that no prior notification will be provided prior to the payment being collected. This payment method may also be used for one-time charges associated with your account such as excess mileage, tolls, violations, and all other allowed charges per the Terms & Conditions you have agreed to electronically.

For **ACH debits to a checking or savings account**, you understand that because these are electronic transactions, these funds may be withdrawn from my account as soon as the above noted periodic transaction dates. In the case of an ACH Transaction being rejected for Non-Sufficient Funds (NSF) I understand that GO may, at its discretion, attempt to process the charge again at any time the account remains past-due, and I agree to an additional charge(s) as outlined in the Terms & Conditions for each attempt that is returned NSF, which will be initiated as a separate transaction from the authorized recurring payment. I acknowledge that the origination of ACH transactions to my account must comply with the provisions of U.S. law. I certify that I am an authorized user of this bank account, and I will not dispute any transactions that are associated with the terms of my Subscription Agreement with my bank.

For all **credit or debit card transactions**, I authorize *GO* to charge the amount listed above to the credit card provided herein. I agree to pay for this purchase in accordance with the issuing bank cardholder agreement. In the case of a card transaction being declined for any reason I understand that GO may, at its sole discretion, attempt to process the charge again at any time the account remains past-due, and I agree to an additional charge(s) as outlined in the Terms & Conditions for each attempt that is declined payment, which will be initiated as a separate transaction from the authorized recurring payment.

I understand that this Payment Account authorization will remain in effect until I cancel it in writing, and I agree to notify *GO* in writing of any changes in my account information or termination of this authorization at least 15 days prior to the next billing date. I certify that I am an authorized user of this account, and I will not dispute any transactions on any Payment Account that are associated with my Subscription Agreement with my financial institution.
